How to get support from...

WALTON CHARITY DIRECT GRANTS

Our Direct Grants programme is here to help individuals and families in Elmbridge who are facing financial difficulty and cannot get support through our [Delegated Funds](#) and [Opportunities Funds](#) or from other sources of funding.

Please note, this is not an emergency fund. People should contact the Surrey Crisis Fund for emergency support.

<https://www.surreycc.gov.uk/community/surrey-crisis-fund>.

How do people apply?

To apply for a grant, applicants will need to be referred by a local organisation. You can find a list of referral organisations here:
